

FLYNN JESSOP

Senior Full Stack Developer

📧 arnold980127@gmail.com 📍 Perth, Australia

SUMMARY

I am a Senior Full Stack developer orienting the long-term relationship.

I am very familiar with both of Front End and Back End Development.

Have experience with Enterprise Workflow, Web Services, Restful API services, CRM Model, E commerce Model, API Integration, online Education service, Database design.

Most of my experiences are Landing Page, WordPress, Mock-up, Web flow, E commerce Website, Shopify, Shopify Theme, SEO, Restful API, MongoDB, Modern JS Frameworks, Web Hosting, Testing Framework, GitHub, GitLab.

Love to work with Testing Framework to ensure accuracy, efficiency and responsiveness.

I focus my effort on creating high performance, low resource consumption, and cost-effective solutions tailored to each individual project. I always provide professional and high-quality standards according to the clients' requirements.

Until now, I've completed a lot of projects:

5 E-Commerce Projects built with modern JS Framework(React, Angular, Vue)

2 Digital Product MarketPlaces built with AngularJS, Node.js and MongoDB

2 Web Applications built with React.js, Node.js and MongoDB

One Enterprise company Portal Project built with Wordpress

One Insurance brokerage site built with next.js.

One online education site built with next.js

One consumer eMarketplace site built with Laravel

One Shopify Sites built with next.js and Laravel

2 Restaurant sites built with Wordpress

One national legal recruitment firm built with Wordpress

Equipped with a client-centered design approach and a full-stack development toolset.

Collaborated with web designers, UX designers and back end developers to design, build, test and improve web products.

I possess a Tech Degree in Full stack Development and have 5 years building, developing and managing websites, applications.

I seek to secure the position of Full stack Developer with Orbits International and hope to share my skills, expertise and experience with valuable clients.
